Dear Brother Campbell:

Recently on a trip down South I happened onto a very unique Bible help. I was so well pleased with the composition of this help that I feel sure it would be an aid to your work and mine: Therefore, I am enclosing a "BIBLICAL SLIDE-RULE FOR PERSONAL WORKERS", composed by Brother Lloyd Moyer.

There are a number of ways that this fine help could be used in your local work. If you have a group of personal workers, this slide-rule would be an indispensable help. In a congregation that is composed of many new converts, the slide-rule would also provide a very ready help in connection with important subjects. This type material would certainly be an advantage in the homes of every member of the congregation. Of course, your imagination can easily supply the innumerable ways help of this kind can be utilized. Please examine closely the subjects that are listed on both sides and you will be convinced it does fill a great need.

Please accept the enclosed slide-rule with my compliments. I will be very glad to fill any orders that you might make for this slide-rule. I am the distributor in this area. In lots of fifty or more, it will be available at the low cost of 60c each. This is even cheaper than the three for \$2.00 which is mentioned at the bottom of the slide-rule. In anything less than fifty, of course, the price listed will be charged.

I hope that you will find this as useful as I have and will be able to incorporate it in your program of work.

Faternally yours,

John Allen Chalk
